

City Club Cares

Live Healthy & Support Families with Cancer

When you mention Miles Perret Cancer Services with one of these promotions through March 31st, you're supporting local families with cancer.

50% of all initiation fees from new members joining City Club in support of Miles Perret Cancer Services will be donated.

City Club encourages you to bring a guest as a "Miles member for the day" on January 14 & 28, February 11 & 25, and March 11 & 25. Enjoy the many fitness and tennis amenities, with all \$10 guest fees donated.

Riverspa will join the cause and donate 10% of all service sales on Mondays and Tuesdays for Miles Perret Cancer Services supporters. Call 216.6511 for services and mention your support.
