helping families fight, survive, and live with cancer

Miles Perret Cancer Services (MPCS) is a resource center for individuals and their families fighting, surviving, and living with cancer. We are here to provide emotional support, guidance, programs, and most of all, hope. Our services are comprehensive and always provided at no charge. No appointment is necessary and there are no qualifications. We are located in Lafayette, and our mobile unit and outreach program extend services to outlying communities throughout Acadiana.

MPCS SERVICES:

- Cancer Resource Library
- Family Events
- Mastectomy Items
- Medical Supplies
- Mobile Miles: MPCS on Wheels
- Nutritional Supplements
- Patient Navigation Notebooks
- Treatment Care Kits
- Wellness Center
- Wigs, Hats, Scarves

MPCS PROGRAMS:

- Back to School Project
- Christmas Giving Tree
- Creative Expressions
- Massage
- MilesStrong Cancer Rehabilitation
- Nutrition Classes
- Pilates & Yoga
- Spa Nights
- SMILES for Miles Family Outings
- Support Groups

Jonathan Miles Perret

Although Miles lived only eight years, his was a life filled with curiosity, joy and love. He had an understanding of friendship and faith far beyond his years, and he left an impression on all who knew him. When Miles was diagnosed in 1995, his family determined right away that Miles would have as normal and carefree a life as possible. Their journey with him provided firsthand experience of the daily challenges of fighting cancer. Miles Perret Cancer Services was created to help others meet those challenges.

**Your Change
Changes Lives**

A program that empowers children to help MPCS as we help families *fight, survive & live with cancer.*

Lafayette, LA 70508 / 337.984.1920

MILES PERRET
CANCER SERVICES

WHAT IS IT? Change for Miles is a service project that empowers children, allowing them an easy and fun way to have a direct impact on the lives of families who are *fighting, surviving* and *living* with cancer.

HOW DOES IT WORK?

1. Students are given bottles to collect change and information cards to explain the projects to parents.
2. Students take home the bottles, fill them with change with the help of family and friends, and bring them back by a scheduled deadline.

It's that easy!

YOUR ROLE:

1. Schedule a Kick-Off day and Collection day.
2. Encourage your students to participate.
(Internal incentives or contests are suggested, but optional.)

WHY?

MPCS is a haven for individuals and families *fighting, surviving* and *living* with cancer. We provide emotional support, guidance, material resources (nutritional supplements, wigs, turbans, supplies), programs and most of all, **hope**.

Since 2002 we have served over 15,000 families. Our services are comprehensive with no qualifications and always provided at *no charge*.

OUR ROLE:

1. Give a brief presentation to your students, explaining the program and giving them information about Miles Perret Cancer Services.
2. Provide bottles and information cards to take home.
3. Come back on collection day and collect the bottles. Report the collection amounts after counting is complete.
4. Reward your efforts with a commemorative photograph. We also offer a cookie cake to the class that collects the most bottles. *(optional)*
